

**June 2010 Internship Rotation Schedule – Application Form
(April Match Date)
Nationwide Option**

Applicants Name: _____

Applicants for this internship program must identify facilities¹ and preceptors² for all planned supervised practice experiences. Please complete the following form indicating where you have planned to accomplish course required supervised practice experiences. See attachment for preliminary assignment information.

¹Completed facility forms are required to be sent with this mailing.

²Completed preceptor forms are required to be sent with this mailing. There must be a signed Preceptor Application form for all preceptors listed on your Rotation Schedule Form. Likewise, every preceptor who completes a preceptor application is listed on the Rotation Schedule Form.

* This is merely a tool to indicate that all competencies are covered in the dietetic internship. Please note that learning objectives, expectations and assignments are planned by the ISU DI faculty thus the preceptor is not expected to make those plans.
