

January 2018 Internship Rotation Schedule – Planning Form Nationwide with International Location

Applicants for this internship program must identify facilities¹ and preceptors² for all planned supervised practice experiences. Please review the following form to determine where you should plan to accomplish course required supervised practice experiences.

¹Preceptor Commitment Letters for each preceptor are required to be submitted with your DI online application.

****Please note international travel dates are tentative. Finalized travel dates to be determined after match.**

****Note that you may apply to both Paris and Ghana, but you may only participate in one international rotation.**
