

## Iowa State University Dietetic Internship January 2019 Rotation Schedule – Planning Form

### Nationwide or Nationwide with International:

- Identify facilities and preceptors for all planned supervised practice experiences using the schedule below.
- **Depending on preceptor availability, changes in schedule are allowed.** MNT must remain 13 weeks, Community 5 weeks with at least one of those in a WIC facility, and Management 5 weeks with at least one in a school. Details are on our website: <http://www.dietetics.iastate.edu/locations/nationwide-schedule/>
- **NEW Preceptor Commitment Forms for each preceptor are required to be submitted with your DI online application.**

### Iowa-based or Iowa-based with International:

- Final schedule and location determined by program instructors after Match Day.

**\*\*Please note international notes are listed in red and travel dates are tentative. Finalized travel dates to be determined.**
